

PUBLICATIONS

S. NO.	Title	Journal Name	Authors
1.	Spectrophotometric determination of SLS as a prime anionic surfactant and contaminant in Central East Chhattisgarh..	Rasayan Journal of Chemistry, Vol.No.2, 2008 page 236 – 245	Santosh K. Sar , Chanda Verma and Piyush K Pandey
2.	Reliable technique for the determination of Sodium dodecyl sulphate by crystal violet in relation to the effluents of Durg-Bhilai region.	J.Chin. Chem. Soc., Vol.56, No.6, 2009	Santosh K. Sar, Chanda Verma, Piyush K. Pandey, Ashish Bhui
3.	Rapid reliable method to remove Sodium Dodecyl sulphate using natural Bioadsorbate	J.Chem.Environ. Res. Vol.15(2) ,2011,29 – 33	
4.	Natural Adsorbent : Removal of Anionic Surfactant from Grey water and its comparison with chemical adsorbent.	Journal of Energy Technologies and Policy 33(11),280 -291	Chanda Verma, Santosh K. Sar and J.Mathew
5.	Medicinal Plants the key Bio- Adsorbent for Anionic Surfactant (SDS) from Waste water.	Chemical and Process Engineering Research (Vol.15, (2013)	Poornima Tomar, Chanda Verma & Santosh K Sar
6.	Cost Effective Natural Adsorbent for the Removal of Fluoride: A green Approach,	Rasayan journal. Chemistry, Vol.12, 455-463 (2019)	Samiksha Tamraker,Rashmi Verma, Santosh Ku. Sar and Chanda Verma
