Title: How to Conduct a Scientific Research in Social Science

Name of Activity: Online Guest Lecture

Number of Beneficiaries: 68

PG Department of Economics organized a Guest Lecture on "How to Conduct a Scientific Research in Social Science" on 10th September 2022 through online mode. The main purpose of this guest lecture was to provide knowledge on "How to Conduct a Scientific Research in Social Science, research has been done by many people in their daily life but this lecture specifically emphasised on how Research can be scientifically proofed and designed. Students were actively participated the programme.

St Thomas College organises Guest Lecture on
'How to conduct a Scientific Research in Social Science?'

Bhilai, Sep 28: The PG Department of Economics, St Thomas College organised an online Guest Lecture on "How to Conduct a Scientific Research in Social Science". The guest speaker of the session was Dr Nilesh Tiwari, Assistant Professor Department of Business Management, Shaheed Mahendra Karma Vishwavidyalaya, Jagdalpur (CG). The program was graced by Manager Bishop His Grace Dr Joseph Mar Dionysius, Administrator Rev Father Dr Joshi Varghese and Principal Dr MG Roymon. The welcome address was given by Dr Mariam Jacob, Convener and Head of the Department of Economics. A brief introduction about the guest speaker was given by Dr Kiran Das, Faculty of Economics. Guest speaker Dr Nilesh Tiwari began his speech by congratulating the institution for organizing such a fruitful event. He

explained the topic in detail, how scientific researchers are conducted and how it provides value addition to the existing knowledge in social science. He also emphasized on selecting contemporary relevant topics for conducting research studies which addresses and solves the societal issues. He also discussed about the process of conducting scientific research studies through carefully drafting research design. At last there was Question & Answers session in which research scholars and students actively participated and cleared all their doubts regarding scientific research. Vote of thanks was proposed by Bhimendu Sahu, Student of MA Economics and the whole program was successfully organized by Program Coordinator & Faculty of Economics Dr Aparna Ghosh.

Title: Certificate Program on Seed Science and Technology

Name of Activity: 10 Day Certificate Program

Number of Beneficiaries: 40 Students of M.Sc Botany

Ten day certificate program on Seed Science & Technology was organized by the Botany department. The inaugural session was chaired by Dr. Vinita Thomas former HoD Dept of Botany Mam introduced students with Seed Science & technology, followed by talk on Floral Biology by Dr. Jyoti Bakshi. Dr. Alok Kr Sahu gave a presentation on Post Harvest Physiology. Ms Yasmin Hussain delivered a talk on Seed Pathology. Dr Balram Sahu shared his expertise on Seed Ageng. Dr. Suruchi Parkhey and Mr Dev Narayan Patel gave their talk on Seed quality assessment, Seed germination & Dormancy respectively. Experiments related to various aspects of seed physiology, morphology were also performed by the students during the certificate course.

St Thomas College organises Certificate Program on 'Seed Sciences and Technology'

Central Chronicle News

Bhilai, Sep 29: The PG Department of Botany, St Thomas College, organized a 10 days Certificate Program on "Seed Sciences and Technology" from September 12-22, 2022. This certificate program stresses on enhancing the skill to become seed analyst and to engage in seed research development. The program was inaugurated by Dr. Vinita Thomas, Ex HOD Botany Department St Thomas College, Bhilai. She gave a prologue on Seed Science, in a very meticulous way. She emphasized on the importance of Seed Science and stressed on various objectives, like basic perception of seed morphology and physiology, the role of seed in agriculture and

forestry, prologue to basic technology used in seed industry, and expansion of skill to assess the seed quality for certification. Dr. Jyoti Bakshi, Head of Botany Department, gave her key role by arranging the Certificate Programme in an amazingly smooth way. The resource persons of this programme were Dr. Jyoti Bakshi, HOD, PG Department of Botany, St Thomas College, Dr. Suruchi Parkhey, Asst Prof, PG Department of Botany, St Thomas College, Dr. Alok Sahu, Asst Prof, St. Thomas Life Sciences, P.T. RSI, Raipur, Dr. Balram Sahu, Assistant Professor, Raipur,

Dev Narayan Patel Assistant Professor PG Department of Botany, St Thomas College, Bhilai and Yasmin Hussain Lecturer Jt School Kavartha. The Chairman of the College His Grace Dr. Joseph Mar Donyson, praised the initiative taken by the PG Department of Botany of St Thomas College on developing a Certificate Program on Seed Sciences and Technology. Rev Fr Dr Joshi Varghese, Administrator of the College also blessed and said that there is a need to develop good diversity of seeds and to make available it to the farmers so that they can accomplish the stipulate of food in a levelled way. Principal Dr. MG Roymon of St Thomas College congratulated the Department of Botany for arranging the certificate programme.

Title: Importance of IPR

Activity: Guest Lecture

No. of Beneficiaries: 17

P.G. Department of microbiology and biotechnology organized a guest lecture activity on 6/12.22. Guest speaker was Dr. Pramod Kumar Mahish, Assistant professor, Government Digvijay College, Rajnandgaon. In this lecture, students were taught about the Intellectual Property Rights & their principles. They were also given information about how to use this knowledge to proceed forward in life. His lecture included a complete introduction on intellectual properties, types and classification, intellectual property laws & their clauses. Dr. Pramod also spoke about the usage of intellectual property laws in case of injustice and the legal options available in Indian judicial system. Lastly he taught how the students can use the above intellectual property rights, claim the benefits & get royalty in their scientific research.

Title- Workshop on Mushroom Cultivation

Activity- Extension Activity

No. of Beneficiaries: 35

A camp of National Service Scheme (NSS) Volunteers was organized in a village Chandkhuri. Team of IIC Council members along with student members visited the camp and extended their services. In this Mushroom cultivation training was organized in which the young people of village and NCC volunteers participated. Village participants were first of all introduced with this technique and explained how this easy technique can be adapted by them and turned into a profitable business. Then the procedure of spawn formation was demonstrated in the workshop along with the sterilization of packaging material. Finally, the participants were trained with the technique of mushroom bags formation
