to me; Sachin

Dear Ma'am,

Greetings on behalf of **International School of Business & Media (ISB&M), Pune**. At the outset we would like to introduce ISB&M to you

*The Institute is headed by a leading educationalist, **Dr. Pramod Kumar**, Ph.D. from IIT Bombay, formerly with IIM-Ahmedabad, former Chairperson Placements at XLRI, Jamshedpur and Ex-Director at SIBM, Pune; a consultant to over 80 companies worldwide; Author of over 100 research papers, cases and management games; research quoted internationally in textbooks and journals; served many Government of India committees on management education.*

The vision of the institution extends in crafting a world-class educational environment. Excelling in the field of management education for the last 23 years, it has **developed over 10000 alumni, who currently work across 20+ countries in various prestigious companies**. ISB&M offers high-quality programs in different areas of management to a cross-section of students, executives and professionals across India in its 4 campuses based in Pune, Bangalore & Kolkata, and is one of the **Most Preferred B Schools in Pune** (source: various B-school surveys.)

We would propose to conduct seminars for the final year students of your college. The session will highlight **skills required by the upcoming cadre of professionals for this dynamic digital era**. We would therefore like to have a session of 90 minutes on the below mentioned topic.

- **Building Effective Communication Skills**

The students will be addressed by our expert faculty/resource person at your premises on 6th of December, 2022 as per the date we have mutually decided. You are requested to give us a particular time slot, so that accordingly we can proceed further. Here I have attached the brief profile of the resource persons, who will take the session.

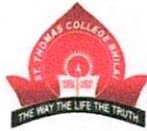

Kindly go through the details and give us the time slot on 6th December, 2022.

Best Regards !

Ajaya Ketan Nayak

IPR refers creation of mind such as invention literacy, artistic work, design, symbol, names and images in any subjects for limited period of time. The main purpose behind this is to encourage the creation of wide variety of goods for consumers, to achieve this; Patent law gives business property right to information for limited period of time. Patenting is one of the stage strategies for production of one's intellectual right. To explore this PG Department of Microbiology and Biotechnology of St. Thomas College, organized a WORKSHOP on "Intellectual Property Rights- Patent & Design Process" in collaboration with RGNIPM, Nagpur. The objective of this workshop was to encourage the students for filling of various types of patents. Principal Dr. M.G. Roy mon delivered the welcome speech and congratulated all staff members and said that the St. Thomas College regularly organizes this type of programme for benefit to students. Himanshu Chandraker, Examiner of patents and Design, RGNIPM, Nagpur was the resource person for this programme. He has been working for more than 6 years in Indian patent office, Govt. of India and is presently working as examiner of patents and design at Rajiv Gandhi National Institute of Intellectual Property management, Nagpur
