Activity : Interactive Talk
Topic : Journey of An Entrepreneur
No. of Beneficiaries : 207

Institutional Innovation Council, IQAC, Entrepreneurship Development Cell and Training and Placement Cell Jointly organized a guest lecture and an interactive session on “JOURNEY OF AN ENTREPRENEUR” in the college. A popular personality in the Raipur- Bhilai region Mr. Priyank Patel, Owner, Nukkad Café was invited as guest speaker. He runs a chain of Café in Raipur and Bhilai. He shared his journey from being an Engineering graduate to a successful entrepreneur. The main highlight of his café is that the café provides jobs to differently abled and transgender people. The Café group is trying to provide social and economic support to these people. The speaker shared many inspiring stories with the students that motivated him to be an entrepreneur along with offering helping hands to the discriminated people of the society. He motivated students to pursue their dreams and develop their own enterprise so that they can make someone economically independent. He also talked about the hurdles and challenges an entrepreneur face during setting up an enterprise.

A 03 day skill development programme on “Cultivation of Oyster Mushrooms” has been organized by the P.G Department of Microbiology and Biotechnology, IQAC, Institutional Innovation Council, Entrepreneurship Development Cell, St Thomas College Bhilai. In collaboration with Jan Sevak Samiti, NGO, Sector-2. The resource person of the programme was Director of Jan Sevak Samiti Mr. Dinesh Singh. Mushroom cultivation has emerged as a profitable business with low cost capital requirement. Students can be trained to cultivate mushrooms which can be helpful for them in future. The training program started with an explanatory lecture session about types and importance of mushrooms by Mr. Dinesh Singh. He enlightened the participants with the economical value of mushrooms in today’s market. On Day 1 students learned about the basics of mushroom cultivation along with the sterilization of required material in the lab. On Day 2 prepared the mushroom cultivation bags in assistance with the trainer and On Day 3 spawn preparation was taught to the students. Towards the end of programme there was a question/answer session for students. The total participants of the programme were 45. Mr. Dinesh Singh assured the students and the staff to assist them in further mass cultivating mushrooms in lab and in field.

Entrepreneurship Development Cell 2022-23

Day & Date	:	Tuesday, 27.09.2022
Activity	:	Guest Lecture (MoU Activity)
Topic	:	Problem Solving and Ideation
Speaker	:	Dr. G. Venugopal, CEO, Rungta Incubation Centre, RUBI, Bhilai
MoU Partner	:	Rungta College of Engineering and Technology, Bhilai
No. of Beneficiaries	:	108

An interactive session on PROBLEM SOLVING and IDEATION was organized by IIC and ED Cell of St. Thomas College which was honored by the presence of **Dr. G. Venugopal, CEO, Rungta Incubation Centre, Bhilai**. The speaker started with a motivational lecture about the benefits of being an entrepreneur or setting up own business rather than serving in other organizations. In his talk, he asked students to think about creating some innovative ideas and turn them up into a business by taking the help of various government policies. He took an ideation activity and asked students to pitch some business idea on the basis of problems sustaining in their near environment. Then he trained students how to have a problem solving approach and out of which any service or business can be developed. Students very well interacted with the speaker and showed interest in incubating their ideas in RUBI incubation centre.

St Thomas College organises talk on Horticultural Practices

Central Chronicle News

Bhilai, Oct 19: PG Department of Botany organised a talk on Horticultural Practices on October 17, 2022 with an objective to spread how we can grow fruit and vegetable crops at our home and get a pesticide free product and also the students were promoted to get their earnings by the proper use of Horticultural practices.

The Resource Person of the programme was Mukesh Kumar Wasnik, Senior Horticulture Development Officer, Government Horticulture Nursery Ruabandha, Durg CG. He gave various important points regarding the art of cultivating plants in gardens to pro-

duce food and medicinal ingredients and emphasized on the importance of grafting in various areas like in producing dwarf and disease resistant varieties. He encouraged the students for taking a balanced diet which is necessary for providing the body with essential nutrition and to avoid fast foods.

Convenor of GE Foundation Pradeep Pillai also attended the programme and felicitated 16 volunteers of M St Botany who helped in successfully conducting the cultural Programme 'Abhiyakti ki Udaan' in which specially abled students from eight schools participated which was conducted on September 18, 2022 in the auditorium

of Bhilai Nair Samajam School Sector 8. Dr MG Roymon Principal of St Thomas College felicitated Mukesh Kumar Wasnik and Pradeep Pillai by pre-

sending a memento as a token of gratitude and also shared his view regarding the importance of Horticultural Practices and emphasized on cultivating vegetable and fruit

plants and motivated the students to use the land of the college botanical garden for cultivating the plants and earn the money for their needs.

He also congratulated the volunteers for their participation in various programmes conducted by GE Foundation. Administrator Fr Joshi Varghese also encouraged the students for maximum utilization of the various techniques mentioned in the talk and congratulated the volunteers.

Dr Jyoti Bakshi, Head of PG Department of Botany gave vote of thanks. The programme was successfully conducted by Dr Suruchi Parkhi, Assistant Professor, Department of Botany.
