**Sub: Invitation to be the City-level Judge
for Tata Building India School Essay Competition 2019-20**

Dear Madam/Sir,

On behalf of the Tata Group, I would like to invite you to be the city-level judge for the 14th edition of the Tata Building India School Essay Competition.

Started in 2006 with 1 lakh school students across 6 cities, this initiative to motivate students towards nation building has grown manifold and is India's largest school essay competition covering nearly 400 cities. The competition is held in 13 languages viz. English, Hindi, Urdu, Gujarati, Bengali, Tamil, Kannada, Marathi, Telugu, Malayalam, Punjabi, Assamese, and Odia. The overwhelming response received for this competition over the years is a testimony to the high level of interest from students as well as the teaching fraternity. At the Tata Group, we believe that young minds of our country have great potential and when directed positively, they can make India proud.

The essay competition format involves screening of inspirational Tata-linked films for the students of classes 6th-12th, divided into two categories: Junior (6th-8th) & Senior (9th-12th), followed by writing of an essay on a topic of national significance. The topic for the 2019-20 competition was How things I will do to build a great India. The essays have already been judged at the school level by teachers nominated by the respective schools, and now the school winner essays are to be evaluated by independent judges at the city-level.

We wish to now determine the city-level winners and hence would like to request you to judge the essays written in the specific language within the city/titles for which you have received the invite.

TCS ICON, a division of Tata Consultancy Services, is responsible for providing cloud-based technology solutions and executing the Tata Building India School Essay Competition throughout India. Their team will be in touch with you to facilitate the judging process.

All details of the competition are included in the e-flyer attached with this email. Information about the Tata Group is available at www.tata.com.

We would be obliged and grateful if you would accept our invitation.

Thank you in advance for your time.

With regards,

Abul Agnew

Webinar held on 'Entrepreneurship Skills for Startups, Need of the Hour'

Central Chronicle News
Bhilai, Sep 23: The PG Department of Commerce, St. Thomas College under the aegis of COMMZENITH in collaboration with ICFAI Business School (IBS) Hyderabad, organized an exclusive webinar session on "Entrepreneurship Skills for Startups, Need of the Hour" for commerce final year pass and candidates. The session focused on the essential skills required for successful startups & emerging career options post COVID19. It is very evident from the current placement trends that domain knowledge alone will not get a student the career that s/he wishes for. It is the value s/he adds during Graduation and Post-Graduation, which helps a student get the company and job role that s/he seeks, considering these points this webinar was conducted. Prof. Surjyabrat Buragohain from IBS Hyderabad Off campus

Buragohain was the resource person on the occasion. He highlighted on the need of startups and various options available for youth. He also emphasized on how the opportunities can be availed by the students for their future and overcoming the challenges. Ms. Jayshree Roy an Alumni of St. Thomas College Department of Commerce and also IBS shared her experiences with the students. She has got a placement

in "Delect". She motivated the students to come forward and face the competitive world by giving them views and experiences she had with IBS and how they have boosted her confidence. Administrator of the college Mrs. Father Dr. Jyoti Varshney congratulated the department for the conduct of the programme and assured to have more of such programmes in future. Principal of the college Dr. M.D. Royan also gave his virtual presence and appreciated the initiative taken by the PG department of commerce. Mr. Sanjay Asthkar senior manager, IBS mentioned the participants. Dr. Sapna Sharma Head, Department of Commerce also presented her views on the importance of startups and wished good luck for the students. This programme was supported by the faculties and the students of various streams.
