FEEDBACK ACTION TAKEN REPORT (2018-19)

Student's Feedback Action Taken Report

SL.NO.	STUDENT'S FEEDBACK	ACTION TAKEN
1.	Preparation for competitive exams and career counselling should be conducted in the college.	Career Counselling and spoken English classes are organized regularly for the students. Teachers and placement cell counsel students for competitive exam. There are magazines in library for preparation of various competitive examinations.
2.	To improve quality of education more practicality should be linked with the subjective curriculum. We should also put more emphasis on skill-based learning and promoting entrepreneurial skills in the students	The Curriculum has Skill enhancement courses (Project work/Field work/internship etc) to develop practicality skills among the students. The college also has an Entrepreneur Development Cell to encourage the students to start their own enterprise.
3.	Offer some certificate program/courses for students to improve employability in the future.	Certificate courses is introduced in college to enhance and enrich the students learning experience and to bring about a more holistic approach to learning and to develop necessary skills for various careers

Teacher's Feedback Action Taken Report

SL.NO.	TEACHERS'S FEEDBACK	ACTION TAKEN
1.	Environmental awareness program should be strengthened in the college.	Eco-club of the college is pro-active in spreading awareness about the environment and regular cleanliness drive is conducted in the college.
2.	More programs related to safety of students should be conducted by the college.	The CPOSH of the college organizes program to make students aware about the Vishakha Guidelines and to address the issue of sexual harassment and laws related to their safety.

Alumni Feedback Action Taken Report

SL.NO.	ALUMNI FEEDBACK	ACTION TAKEN
1.	Industry academia interaction should be introduced so that students are geared up to face the challenges of the real life. All students should be exposed to life skill training workshops to prepare them for life beyond college.	College has an active entrepreneur cell to bridge the gap between industry and academia and also to expose the students to the real world of industry to gain practical knowledge.
2.	Teachers should have good rapport with students and discuss the problems faced by them.	The college has an active class advisor for the students to discuss and share their problems with the teachers.
3.	Hygiene should be improved in washrooms and canteen	The college has a dedicated team of workers for maintaining hygiene of the college.
